## **Secondary School Team Sailing National Championship 2014**

Our Chairman recently received a letter from Nicky Stevenson of the Sandspit Yacht Club with the following message.

“We would like to extend our warmest thanks to the Algies Bay Residents & Ratepayers Association for your support and efforts over the Secondary School Team Sailing Nationals.

The SYC Centreboard Division is very grateful to all those who assisted with the many tasks involved in running an event like this, lunch making, providing baking and helping RIB launch and retrieval. Additionally, your team did a fantastic job of the coordinated activities with the beach cleanup and the benefits were noticeable.

We have appreciated your ongoing collaboration throughout the 2014 Nationals and your commitment and support for the sailing activities we provide as a Club overall.

It would be fantastic if this thank you could be communicated to your members as there were a number of ‘helpers’ throughout the Regatta.”

## **Children’s Playground**

The new playground is finally going to be installed from 16<sup>th</sup> June. The area will be closed during the week commencing 9<sup>th</sup> June and should reopen at the end of June.

## **Springboard:**

At its meeting on Friday 6<sup>th</sup> the Committee unanimously agreed to make a donation of \$500 to assist Springboard secure permanent headquarters in Hamatana Road, Snells Beach. Algies Bay Residents and Ratepayers are very aware of the excellent work undertaken by Springboard and sincerely hope they are successful in raising the necessary funds.

## **Email address:**

We are very interested to know how many Residents/ Ratepayers would prefer to receive regular Newsletters electronically rather than hard copy. We are also aware that some folk do not have computers/ tablets etc. so a hard copy will always be available. If you have not already provided us with an email address but wish to do so please contact Nigel Hayman at [ngh@igrin.co.nz](mailto:ngh@igrin.co.nz)

## **Short Term Rental Accommodation:**

It has been drawn to our attention that some folk who rent short term are not aware of the correct rubbish bags to be used in Rodney. It would assist greatly if landlords with short term rentals could provide the correct bags so that rubbish is not left in the street by the official collection. Many thanks for your cooperation.
