

# Donkey Serenade

Newsletter 21

August 2017

Greetings Everyone, its that time of year again when our yearly **Membership Subscription to Highfield Donkeys Inc Society** becomes due.

We thank you for your membership, it is vital to the survival of the Donkeys on Highfield Garden Reserve. Our numbers reflect the Community's interest to the Council. We are reminded that there is no other Park in the Auckland area where Donkeys, owned by their Community, are able to roam free for all to enjoy.

Our AGM has been held, our Treasurer, whose accounts have been audited, has recommended we retain the Family \$10 Membership Fee for 2017.

Chairman, Mr Peter Couling, thanked the outgoing Committee for their work on behalf of the Donkeys, and welcomed in the 2017 Committee. Special thanks were accorded to Peter Caccia-Birch, for his leadership and 'hands on' work in the Park and with the Donkeys. Also acknowledged were Maxine and Gill, who regularly groom Highfield Donkeys at Tuesday Morning Working Bees. Our Honorary Vet Ross Lynch, says he has never seen the donkeys looking so good.

**Working Bees, at Highfield Reserve on Tuesday Mornings** are to continue, its thanks to the volunteers who regularly attend to the needs of the Park and the Donkeys that the rest of us are all able to enjoy them.

Thank you everyone.

*Shona Duncan*
