KAWAU BAY FISHING CLUB SUN SHELTER UPDATE.

By Lynne White

We have a petition going around the community getting support for our shelter. This is required by council due to several neighbours disagreeing with it. The response has been amazing and thus far (26th Sept 2018) we have not received any negative feedback or a refusal to sign. We will be circulating the petition forms around our club members and hope you will give us your support.

If you want any information, please contact:
