LADIES DAY FISHING COMPETITION.

It was a pity that the Ladies Day Fishing Competition was cancelled when the weather was good.

It was cancelled as there were not enough fishers to justify the value of the prizes.

There are 23 Senior Female members in the club, not including Juniors and Midgets.

We expected to have more participants than 10 members.

The next Ladies Day Fishing Competition is being considered for March next year and there will be some adjustments to the competition to avoid this happening again.
