# April 2019 Newsletter

### Annual General Meeting

The Algies Bay Residents & Ratepayers Assn AGM will be held at the Betty Paxton Room, Snells Beach Community Centre, commencing **10am Saturday 27<sup>th</sup> April 2019**. Refreshments will be served following the meeting.

Our key speakers will be a representative from NX2 with a presentation on the new motorway construction, plus Beth Houlbrooke, Chair of the Rodney Local Board.

We are attaching nomination forms with this Newsletter for any members wishing to stand for committee.

### Annual Subscriptions

Annual \$10 subscriptions are now due. Membership is important as it provides consideration strength for our Association when dealing with Council and other statutory bodies.

Algies Bay has been very fortunate to have received significant funding for recent projects, especially along the beachfront and the carpark and main boat ramp. Principally, this is a result of the committee drive and a strong membership to continually make our bay attractive for residents and visitors alike.

Attached is a Subscription Form and envelope. Your payment can either be posted or given directly to a Committee Member (if not using the direct debit option to our account number: 12-3105-0013354-00. Use your surname and street address as the reference.

If you have not received this as an email, please contact us at: [admin@algiesbay.co.nz](mailto:admin@algiesbay.co.nz) so we can add you to our contacts list. Being on our contacts list guarantees your receiving all our email communications relating to the Bay and surrounding district.

### Dog Bylaw Submissions

You are invited to have your say on proposed changes to the Auckland Council Policy on Dogs 2012 and Dog Management Bylaw 2012.

Auckland Council recently completed a review of its policy on dogs and related bylaw so that improvements can be made to the way dogs are managed across the region.

Public consultation is open until 10 May.

More information plus a submission form can be found by clicking this link: [online feedback form](#).

## Playground Seawall, Carpark & Boat Ramp Upgrade

Wharehine Contractors completed the seawall in front of the playground. There is some remedial work for follow-up. If you have had the chance to check it out, we're sure you will have been impressed with their work.

HEB Contractors are currently completing the resealing of the carpark. We would like to thank them for prioritising the concreting of the lower half of the roadway which allowed earlier access to the ramp than expected.

## Dinghy Racks

The Association manages the dinghy racks located by the Alexander Road ramp. If you are interested in renting one of these racks (cost: \$25 per year), please contact us at: [admin@algiesbay.co.nz](mailto:admin@algiesbay.co.nz).

## A Cautionary Tale

On one of the busy summer days, a resident out boating had their car "keyed". A note under the window wiper indicated someone had taken exception to where/how they had parked. The note alone would have been sufficient. Let's be kind to each other.

## Sandspit Yacht Club Regatta April 2019

The 2019 Secondary Schools Team Sailing Championship will be held 20<sup>th</sup> - 26<sup>th</sup> April.

This will see approx. 35 teams, involving about 300 people.

Boats will begin to be set up in the 7 to 10 days leading up to the National event, with storage beside the swings and also adjacent to the club house, by the path leading to the beach.

Launching will take place at the main ramp with the boat ramp being used predominantly in the morning and late afternoon. During this event, the lower road between the clubhouse and the beach will remain open.

Trailers etc. will be stacked close to the clubhouse, leaving the southern trailer parking area available for locals. All boats and equipment will be moved off in the days following the regatta.

NZ Team Sailing Assn & Sandspit YC apologise for any congestion or delays this event may bring but hope everyone enjoys the spectacle and thanks all for their support.

***Wishing everyone a safe and happy Easter***
